CONSUMPTION. Colds. Coughs, Spitting of B'ond Branchitis, Difficulty of Breathing, Asthma, Pain in the Side, Breast and Chest, Whooping Cough, Croup, and all Diseases of the Liver and Lungs.

They Die of Consumption. EWARE OF THE DESTROYER .- How many persons por off from time to time that most important calling-attending to their health before it be too late. Look around us, particularly in our city, and we will daily behold hundreds of persoas, whose countenances bespeak suffering with disease of the lungs and a protracted cough fast approaching their immortal destination, without perhaps. being sensible of their sectors situations. May this warning awake them in due season, and at once seek relief, which is to be found in Dr. DUNCAN'S EXPECTORANT REMEDY, a safe, pleasant and certain medicine for the cure of a cough and the premonitory symp toms that lead to CONSUMPTION. This medicine immediately heals the irritated Membrane of the Bronchi and Lungs, gives strength and support to the enfeebled frame, thus causing the lungs to throw off the viscial secreted matter that accumulates and settles upon

Read the following Case and Cure: Let all the World know the wonderful efficacy of Dr. Duncan's EXPECTO-RANT REMEDY!

examined my lungs and informed me that there was a small cavity forming in the lobe of my left lung, with slight ulcerations, and advised me to take a few bottles of the EXPECTORANT REMEDY, which I bought of you (6 bottles.) I have used 4 of them, and feet as well as I ever did in my life. My cough disappeared after using the first bottle, the pain in my breast also left me, my strength increased and also my appetite. The medicine crused me to expector te large quantities of foul matter; after this was all the wn up, I felt relief at once. I think that the whole world should know something about the good effects of your "EXPECTORANT REMEDY," for the removal of the first symptoms leading to Consumption. Please inform me if you think it advisable for me to use the medicine any longer. HORICE BINNS. Yours truly, and ever grateful, Near Hamilton, O.

The Panacea will be put up as usual in round bottles, fluted longiturfinally, with the following letters blown on the glass:-"Swaim's Panacet, Philada," and the only change made is the name of JAS. SIVAIM stamped on the sealing wax, and written on the label covering the cork, and a new label for the side of the bottle, composed of geometric lathe work, comprising nine different dies, which have been A nirmed for the exclusive use of the proprietor, by Draper & Co., bank note engravers of Philadelphia. Four dies of different patterns form the body of the work, and in the centre is a portrait of the late Wm DECEIVED this day and for sale by Swaim, separated from the borders by two circles of lathe work. The words "Swaim's Panacea," are engraved conspicuously on two turned strips, and a large semi-circular die forms the upper margin. The borders are composed of plain lathe work strips, outside of which is engraved in small letters the entry of the copy right. JAMES SWAIM. Philadelphia, August, 1846.

IOSE of our citizens who desire a good medicine, will find one in the justly celebrated pills of Doctor Brandreth, which have performed cures upon thousands of helpless and hopeless persons, after the usual scientific skill of physicians had consoled them with the assurance that they could do no more. The properties of these Pills, as an antibillions and aperient medicine, are unrivalled; all who use them recommend them; their virtues surpass all eulegy, and must be used to be appreciated. The weak and delicate will be strengthened by their use, not by bracing, but by removing the cause of weakness, the gross and corrupt humors of the body. They require no change in the diet, or care of any kind. Plain directions accompany each box, so that every one is his own competent physician.

These pills are for side by one agent in every town in the State, and at Indianapolis, by C. B. DAVIS, Bookseller, and by SMITH, HANNA & Co., these being the only authorized Agents. 46-y SWAIRS PANACEA.
